

## 1 Day | Christmas in July

Who says we need to wait until December to celebrate Christmas? On this exciting day, we travel to Glendale Springs for a stop at **Holy Trinity Church** to view **The Last Supper fresco** created by Benjamin Long. Great skill and planning is required to create this most challenging art form. This true fresco was created in 1980 and fills the wall behind the church altar, providing a magnificent visual representation of the Last Supper with Jesus and His disciples. We venture on to **Shatley Springs** for an included family-style lunch before making our way to West Jefferson for the main event. Ashe County has been sharing their mountain heritage through arts and crafts, great local foods and fun-filled music at the **Christmas in July festival** since 1987. Join us for a foot-tapping, lip-smacking, awe-inspiring day!
