

# 1 Day | North Carolina Treasures featuring Southern Supreme Fruitcake

Join us as we explore some of the treasures of North Carolina. We begin our day with a stop at **Troyer's Market**. At this Amish bulk food store you can find the usual pantry staples, home-made breads, and much more. After lunch we arrive in **Seagrove** which is considered, "The Handmade Pottery Capital of the United States". We take time to visit one of the pottery stores in the area where you can purchase these original handmade pottery pieces. Next we make our way to **Southern Supreme Fruitcake**. Beginning in 1984 as a home-based, family-owned business, they have become a successful mail-order company shipping gourmet foods globally. We are able to tour their facility, sample their delicious products, and shop for fruitcake and other delectables. We finish the day with dinner at **Rocky River Springs Fish House**. North Carolinians' love their fish camps, and this one is tops!
