Opryland Hotel Christmas Tree | Darrell Fox

**1 OPRYLAND RESORT • DINNER & "CHRISTMAS IN TENNESSEE"**  
**FEATURING THE OAK RIDGE BOYS:** Join us for three wonderful days of magic at the beautiful Gaylord Opryland Resort, where music and atmosphere brim over with the spirit of Christmas. Upon arrival in Nashville, we check in our beautiful hotel for two nights. Opryland Resort is guaranteed to evoke the spirit of the season. The hotel and grounds will

be decorated with more than two million twinkling lights, 15,000 poinsettias, and acres of stunning Christmas decorations. We have free time to stroll along the winding walkways of the lushly landscaped conservatories and waterfalls in the Cascades section. Tonight we enjoy a delicious dinner and the fantastic show "Christmas in Tennessee" featuring the Oak Ridge Boys. **D**

**2 DELTA RIVER FLATBOATS • "ICE" • GRAND OLE OPRY:** Enjoy a delicious breakfast at the hotel and take time to explore the beautiful indoor gardens. We take a ride on the Delta River Flatboats through the delta. Next, we experience the miracle of "ICE!" "ICE!" is two million pounds of colorful, hand-carved ice sculptures and slides, all carved by 40 artisans from Harbin, China. This evening we experience the show that made country famous, the Grand Ole Opry. You don't know the lineup for the show until the week you're attending but there is sure to be special entertainers you're gonna love! **B D**

**3 HOME:** We have a leisurely paced morning enjoying another breakfast at the hotel before we depart. Our hearts are filled with new Christmas joy as we travel home. **B**
